

# Maximum® Vinyl Fencing and Railing

## Transferable Limited Lifetime Warranty

Crane Fencing Solutions (CFS) warrants its Maximum® fencing and railing products, subject to the limitations listed herein, against peeling, flaking, blistering, corroding, rotting, rusting or be consumed by termites, solely because of defects in material and manufacturing. CFS further warrants that its vinyl products are free from manufacturing defects in materials and workmanship for the lifetime of the Maximum® fence or rail product as the warranty extends only to the original purchaser or transferee as specified herein. If any part of the fence or railing fail to perform as a result of manufacturing defects, CFS warrants that the defect will be repaired or replaced at CFS option.

### REGISTRATION OF WARRANTY

To protect your rights under this warranty, the attached registration card must be completed and signed by the original purchaser, and returned to CFS within 30 days of purchase. In the event the attached registration card is not returned to CFS within the 30 day period, receipt of purchase must be provided by the original purchaser to be eligible for coverage under this warranty.

### TRANSFER OF WARRANTY

This warranty is transferable by the original owner to any subsequent owner of the property where the fence and/or rail product is permanently installed, and where proper registration of this warranty has been filed per the aforementioned requirements. For continued coverage under this warranty, CFS must receive written request for transfer, proof of original purchase, and a \$100 transfer fee payable to CFS within 30 days from the ownership transfer date of said property. Failure to provide written request for transferring the warranty within 30 days will relieve CFS of any further obligations under this warranty.

### EXCLUSIONS

CFS shall not be liable for, and this warranty does not apply to any failure, defect or damage resulting from or connected with the following:

- Failure of, damage from, or malfunction of fence or railing resulting from accident, misuse, abuse, impact of foreign objects, negligent or intentional acts causing damage, any act of God including but not limited to fire, earthquake, lightning, hail, hurricane, tornado, exposure to harmful chemicals, pollutants, vapors, and/or acid rain.
- Installation which is not in strict adherence to CFS's written instructions.
- Alterations or modifications of a Maximum® product.
- Use of accessories which do not properly receive and/or secure Maximum® fencing and railing.
- Color disparities arising from parts having been installed at different time periods will not be eligible for coverage under the terms of this warranty.
- As vinyl products weather, they lose some resistance to impact. Impact resistance losses are inherent to the vinyl materials utilized and does not constitute a defect in design or

manufacture. Based on the aforementioned, CFS is not responsible for any claims associated with changes in the product's impact resistance including, but not limited to changes in stiffness or brittleness over time.

- Normal weathering of the part(s). Normal weathering shall be defined as a change in the part's appearance resulting from the exposure of the part(s) to the elements resulting in a gradual and uniform change in the part's color and/or gloss level. Color disparities arising from parts having been installed at different time periods will not be eligible for coverage under the terms of this warranty. CFS shall at its sole discretion determine whether the part(s) is (are) experiencing normal weathering.
- Damage from large animals (defined as those animals weighing in excess of 100 lbs.).
- Applying any type of surface treatment over the manufacturer's original finish including but not limited to, solvent, paint, varnish, adhesive et al.
- Movement, distortion, collapse or settling of the ground or structure on which the fencing or railing is installed.
- Exposure to excessive heat which is non-climatic related (e.g., adjacency to BBQ grill, outdoor lighting, outdoor heaters, et al).

Each purchaser is solely responsible for determining the effectiveness, fitness, suitability and safety of the Maximum® product in connection with its use in any particular application.

### CLAIMS AND REMEDIES

A claim under this warranty must be reported in writing, along with proof of purchase, to Crane Fencing Solutions, 894 Prairie Avenue, Wilmington, OH 45177. CFS will then have a reasonable period to inspect or, at CFS's option, to have the product shipped at the owner's expense, prepaid to CFS for examination of the alleged defect. CFS shall be the sole determiner of whether the product is defective and whether the defect is due to defects in material and/or manufacturing practices. If after its inspection, CFS determines the claim is in accordance with this warranty, then CFS will, at its option, replace the defective part(s) or provide a refund limited to the original purchase price of the part(s). CFS shall not be liable or responsible for labor charges or other expenses whatsoever in connection with removal or installation of either the original or replacement product. In the event of repair or replacement of part(s) under the terms of this warranty, the original warranty shall apply to the replacement part(s). If a claim is made for part(s) which are no longer manufactured at the time of the claim, CFS, at its sole discretion, reserves the right to substitute material of equal quality and value.

CFS makes no express warranties except as stated herein. Any express or implied warranty not provided herein, and any remedy for breach of contract, tort or otherwise, which, but for this provision, might arise by implication or operation of law, is hereby excluded and disclaimed. CFS shall not be liable for special or consequential damages or losses for inconvenience, labor, loss of time, or other incidences arising in relation to the purchase of or use of CFS' products.
